

Dear Provider:

Amerigroup Community Care is pleased to offer additional health care benefits to Medicaid members who are also eligible for Medicare coverage. These members may now enroll in our Amerivantage Specialty+Rx Plan, a special Medicare Advantage plan for people with Medicare and full Medicaid benefits.

What is the Amerivantage Specialty+Rx Plan?

The Amerivantage Specialty+Rx Plan is a dual-eligible special needs plan available only to people with both Medicaid and Medicare coverage. The Amerivantage Specialty+Rx Plan not only covers medical services but also includes Medicare prescription drug coverage, so members do not need to select a separate drug plan to get prescriptions. To make managing members' coverage easier, we will help coordinate all parts of their health care coverage – Medicare, Medicaid and prescription drugs.

Our Medicare Advantage plan also offers some great additional benefits that traditional Medicare does not cover, including:

- \$60 each quarter to spend on approved health care items
- Extra preventive dental coverage that includes two exams, two cleanings and one X-ray every year
- Extra comprehensive dental allowance of \$250 each quarter
- Extra vision coverage, including one eye exam and up to \$150 for glasses or contacts
- One routine hearing exam and \$1,000 a year for hearing aids
- \$0 copay for a SilverSneakers fitness program
- \$0 copay for a personal in-home monitoring device

There is no additional cost or copayment for these benefits.

How are members enrolled in Amerivantage Specialty+Rx Plan?

For convenience, we automatically enroll eligible members in the Amerivantage Specialty+Rx Plan beginning on the first day of the month in which they begin receiving Medicare coverage. Members may choose to opt out by completing and returning the required documents or calling us directly.

What does this mean to me?

The Amerivantage Specialty+Rx Plan will be primary for all Medicare-covered services, and Amerigroup will be secondary for Medicaid benefits or services. To keep things simple for you, we will coordinate the payment for these services so you only need to submit one claim for services.

The claims billing address is located on the member ID card. Dually-enrolled members will have separate member ID cards for each plan.

Amerigroup Amerivantage is an HMO plan with a Medicare contract and a contract with the Tennessee Medicaid program. Enrollment in Amerivantage depends on contract renewal.

For members with TennCare benefits only, continue to bill Amerigroup as you do today.
