Final notice to continue receiving Medicaid payments: re-enroll by June 17, 2016

**Background:** Complete applications received on or before June 17, 2016, will most likely complete the re-enrollment process by September 24, 2016.

**What this means to you:** To avoid disruption, Texas Medicaid providers must re-enroll with the Texas Medicaid Healthcare Partnership (TMHP) or Department of Aging and Disability Services (DADS) by June 17, 2016, to maintain enrollment. You must re-enroll every Texas Provider Identifier (TPI) you have with Texas. You will not be paid for Medicaid services if you do not fully re-enroll by the deadline.

**Why is this deadline necessary?**
Complete applications received on or before June 17, 2016, will most likely complete the re-enrollment process by September 24, 2016.

In the event the re-enrollment process is not completed by September 24, 2016, and the provider is still working toward addressing identified deficiencies at that time, the provider will continue to remain enrolled in Texas Medicaid as long as the provider continues to respond to deficiency notifications within the defined time frame for response. Continued enrollment is contingent upon continuing to meet deficiency correction timelines and receiving final application approval.

**Where can I find more information and how do I re-enroll?**
You can find information on the TMHP website at www.tmhp.com/Pages/Topics/ACA.aspx or on the DADS website at https://www.dads.state.tx.us/providers/mpre.

Long-term services and supports and nursing facility providers must re-enroll with DADS. Certain long-term services and supports providers may be excluded from this process. Please review the DADS website at https://www.dads.state.tx.us/providers/mpre.

Vendor Drug Program (VDP) providers should receive a targeted outreach communication from the VDP with specific information for this provider type. More information can be found at www.txvendordrug.com/providers/enrollment-forms.shtml.

*Amerigroup members in the Medicaid Rural Service Area are served by Amerigroup Insurance Company; all other Amerigroup members in Texas are served by Amerigroup Texas, Inc.*
Remember, ordering- and referring-only providers are required to re-enroll as well. Information can be found on the TMHP website at www.tmhp.com and www.tmhp.com/News_Items/2012/11-Nov/11-16-12%20Effective%20January%202013%20Ordering%20and%20Referring.pdf.
