*****The most current version of the reimbursement policies can be found on our provider website. If you are using a printed version of this policy, please verify the information by going to <https://providers.amerigroup.com>. Under Quick Tools, select Reimbursement Policies > Medicare. *****

These policies serve as a guide to assist you in accurate claim submissions and to outline the basis for reimbursement if the service is covered by a member's Amerigroup Medicare Advantage benefit plan. The determination that a service, procedure, item, etc. is covered under a member's benefit plan is not a determination that you will be reimbursed. Services must meet authorization and medical necessity guidelines appropriate to the procedure and diagnosis as well as to the member's state of residence. You must follow proper billing and submission guidelines. You are required to use industry standard, compliant codes on all claim submissions. Services should be billed with CPT® codes, HCPCS codes and/or revenue codes. The codes denote the services and/or procedures performed. The billed code(s) are required to be fully supported in the medical record and/or office notes. Unless otherwise noted within the policy, our policies apply to participating providers and facilities; a non-contracting provider who accepts Medicare assignment will be reimbursed for services according to the original Medicare reimbursement rates.

If appropriate coding/billing guidelines or current reimbursement policies are not followed, Amerigroup Medicare Advantage may:

- Reject or deny the claim.
- Recover and/or recoup claim payment.

Amerigroup Medicare Advantage reimbursement policies are developed based on nationally accepted industry standards and coding principles. These policies may be superseded by mandates in provider, state, federal or CMS contracts and/or requirements. System logic or setup may prevent the loading of policies into the claims platforms in the same manner as described; however, Amerigroup Medicare Advantage strives to minimize these variations.

Amerigroup Medicare Advantage reserves the right to review and revise our policies periodically when necessary. When there is an update, we will publish the most current policy to this site.

Policy

Amerigroup Medicare Advantage allows reimbursement for unlisted, unspecified or miscellaneous codes in accordance with specified guidelines unless provider, federal or CMS contracts and/or requirements indicate otherwise. Unlisted, unspecified or miscellaneous codes should only be used when an established code

	<p>does not exist to describe the diagnosis, service, procedure or item rendered.</p> <p>Reimbursement is based on review of the unlisted, unspecified or miscellaneous code(s) on an individual claim basis. Claims submitted with unlisted, unspecified or miscellaneous codes must contain the following information and/or documentation for consideration during review:</p> <ul style="list-style-type: none"> • A written description, office notes or operative report describing the procedure or service performed • An invoice and written description of items and supplies • A description that supports the identification of the nature of an illness or other problem used to examine the symptoms when the unspecified diagnosis codes have a corresponding left, right, or bilateral diagnosis. • The corresponding National Drug Code number for an unlisted drug code
