<b>Subject: Locum Tenens Physicians/Fee-for-Time Compensation</b>		
Effective Date: <b>08/14/17</b>	Committee Approval Obtained: <b>08/14/17</b>	Section: <b>Administration</b>
<p>*****The most current version of our reimbursement policies can be found on our provider website. If you are using a printed version of this policy, please verify the information by going to <a href="https://providers.amerigroup.com/IA">https://providers.amerigroup.com/IA</a>.*****</p> <p>These policies serve as a guide to assist you in accurate claims submissions and to outline the basis for reimbursement if the service is covered by a member’s Amerigroup Iowa, Inc. benefit plan. The determination that a service, procedure, item, etc. is covered under a member’s benefit plan is not a determination that you will be reimbursed. Services must meet authorization and medical necessity guidelines appropriate to the procedure and diagnosis as well as to the member’s state of residence. You must follow proper billing and submission guidelines. You are required to use industry standard, compliant codes on all claim submissions. Services should be billed with CPT codes, HCPCS codes and/or revenue codes. The codes denote the services and/or procedures performed. The billed code(s) are required to be fully supported in the medical record and/or office notes. Unless otherwise noted within the policy, our policies apply to both participating and nonparticipating providers and facilities.</p> <p>If appropriate coding/billing guidelines or current reimbursement policies are not followed, Amerigroup may:</p> <ul style="list-style-type: none"> <li>• Reject or deny the claim.</li> <li>• Recover and/or recoup claim payment.</li> </ul> <p>Amerigroup reimbursement policies are developed based on nationally accepted industry standards and coding principles. These policies may be superseded by mandates in provider, state, federal or CMS contracts and/or requirements. System logic or setup may prevent the loading of policies into the claims platforms in the same manner as described; however, Amerigroup strives to minimize these variations.</p> <p>Amerigroup reserves the right to review and revise our policies periodically when necessary. When there is an update, we will publish the most current policy to this site.</p>		
<b>Policy</b>	<p>Amerigroup allows reimbursement of locum tenens physicians unless provider, state or federal contracts and/or requirements indicate otherwise.</p> <p>Amerigroup will reimburse the member’s regular physician or medical group for all covered services provided by a locum tenens physician during the absence of the regular physician, in cases where the regular physician pays the locum tenens physician on a per diem or similar fee-for-time basis.</p>	

	<p>Reimbursement to the regular physician or medical group is based on the applicable fee schedule or contracted/negotiated rate. The locum tenens physician may not provide services to a member for longer than a period of 60 continuous days. Services included in a global fee payment are not eligible for separate reimbursement when provided by a locum tenens physician.</p> <p>A member’s regular physician or medical group should bill the appropriate procedure code(s) identifying the service(s) provided by the locum tenens physician with a Modifier Q6 appended to each procedure code.</p>
