| <p>*****The most current version of our reimbursement policies can be found on our provider website. If you are using a printed version of this policy, please verify the information by going to https://providers.amerigroup.com/TX.*****</p> <p>These policies serve as a guide to assist you in accurate claim submissions and to outline the basis for reimbursement if the service is covered by a member’s Amerigroup STAR+PLUS MMP (Medicare-Medicaid Plan) benefits. The determination that a service, procedure, item, etc. is covered under a member's benefit plan is not a determination that you will be reimbursed. Services must meet authorization and medical necessity guidelines appropriate to the procedure and diagnosis as well as to the member’s state of residence. You must follow proper billing and submission guidelines. You are required to use industry standard, compliant codes on all claim submissions. Services should be billed with CPT codes, HCPCS codes and/or revenue codes. The codes denote the services and/or procedures performed. The billed code(s) are required to be fully supported in the medical record and/or office notes. Unless otherwise noted within the policy, our policies apply to both participating and nonparticipating providers and facilities.</p> <p>If appropriate coding/billing guidelines or current reimbursement policies are not followed, Amerigroup STAR+PLUS MMP may:</p> <ul style="list-style-type: none"> • Reject or deny the claim. • Recover and/or recoup claim payment. <p>Amerigroup STAR+PLUS MMP reimbursement policies for Amerigroup STAR+PLUS MMP are developed based on nationally accepted industry standards and coding principles. These policies may be superseded by mandates in provider, state, federal or CMS contracts and/or requirements. System logic or setup may prevent the loading of policies into the claims platforms in the same manner as described; however, Amerigroup STAR+PLUS MMP strives to minimize these variations.</p> <p>Amerigroup STAR+PLUS MMP reserves the right to review and revise our policies periodically when necessary. When there is an update, we will publish the most current policy to this site.</p> | | |
| Policy | <p>Amerigroup STAR+PLUS MMP does not reimburse for Other Provider Preventable Conditions (OPPC) as identified by CMS contracts and/or requirements. Procedures identified as an OPPC will be rejected or denied. A condition defined as an OPPC for a particular patient existing prior to the initiation of treatment for that patient by that provider will not impact that provider’s reimbursement.</p> | |

| | <p>OPPC are defined and categorized as:</p> <table border="1"> <thead> <tr> <th>Description</th> <th>Modifiers</th> <th>ICD-10 diagnosis</th> <th>Surgical error codes</th> </tr> </thead> <tbody> <tr> <td>Surgical or invasive procedure on the wrong body part</td> <td>PA</td> <td>Y65.53</td> <td>MZ</td> </tr> <tr> <td>Surgical or invasive procedure on the wrong patient</td> <td>PB</td> <td>Y65.52</td> <td>MY</td> </tr> <tr> <td>Wrong surgery or invasive procedure on patient</td> <td>PC</td> <td>Y65.51</td> <td>MX</td> </tr> </tbody> </table> <p>Erroneous surgical events occurring during an inpatient stay should be reflected on Type of Bill 0110 (no-pay claim) along with all services or procedures related to the surgery. All other inpatient procedures and services should be submitted on a separate claim.</p> <p>Note: The PC modifier is defined as Wrong Surgery on a Patient. It should not be used to represent the Professional Component of a service. Claims that incorrectly use this modifier may be denied. Claims must be resubmitted as a corrected claim and indicate the appropriate coding for the service(s) rendered.</p> | Description | Modifiers | ICD-10 diagnosis | Surgical error codes | Surgical or invasive procedure on the wrong body part | PA | Y65.53 | MZ | Surgical or invasive procedure on the wrong patient | PB | Y65.52 | MY | Wrong surgery or invasive procedure on patient | PC | Y65.51 | MX |
